

NIDHIN P C

FLUTTER DEVELOPER

Thrissur, Kerala, India | +91 9846871894

ABOUT ME

Motivated and detail-oriented Flutter Developer with strong knowledge of Flutter, Dart, Firebase, REST APIs, and state management. Completed professional Flutter training and gained hands-on experience through internships and real-world projects. Passionate about building responsive, user-friendly mobile applications for Android and iOS. Eager to contribute technical skills, problem-solving abilities, and a continuous learning mindset to a dynamic development team.

EXPERIENCE

Junior Flutter Developer

Aug 2025 – Mar 2026

Corevant Platforms Pvt. Ltd. – Thodupuzha, Idukki

- Developed and published Vitara Gold, a Gold SIP investment app on Google Play.
- App Link: [Vitara Gold : Savings into Gold](#)
- Integrated REST APIs and Firebase services for efficient data handling and user interactions.
- Implemented OneSignal push notifications and PhonePe payment gateway integration.
- Maintained clean and modular code architecture using MVC and Clean Architecture principles.
- Built reusable Flutter components and responsive user interfaces.

Flutter Developer Intern

Dec 2024 – Apr 2025

Rootments Enterprises LLP – Edapally, Ernakulam

- Developed and published Rootments Learn app on Google Play.
- App Link: [Rootments Learn](#)
- Developed wedding dress rental management system with inventory and booking modules.
- Implemented tag-number search functionality to verify dress availability by date.
- Integrated Flutter frontend using REST APIs.
- Collaborated with UI/UX designers to improve application usability and performance.

PROJECT HIGHLIGHT

Speedome – Home Service Booking

- Developed a role-based service booking platform with Admin, User, and Worker dashboards.
- Implemented Firebase Authentication and Firestore for secure user management.
- Migrated image storage to Cloudinary for scalable media management.
- Built responsive UI screens and reusable Flutter components.
